Tom Tancredo**

Sixth District, Colorado

Fellow Republicans,

When the voters in Senate District 26 go to the polls in November, they deserve our best. That's Lauri Clapp.

When the Democrat Party controls all three branches of government, we need an experienced leader who knows how to succeed and build coalitions. That's Lauri Clapp.

When Health Care Reform is the number one issue, we need a leader with a plan based on eight years of membership and as Chairman of the Health, Environment, Welfare and Institutions Committee to formulate a solution. That's Lauri Clapp.

When the Liberals ask for more of your hard earned income, we will need someone who has stood up for us in the past and said *no!* That's Lauri Clapp

When the Democrats pour hundreds of thousands of dollars into the campaign to gain this State Senate seat, we need a candidate with years of proven fundraising ability to bring her issues to the attention of the voters. That's Lauri Clapp.

I have known Lauri for many years and have watched her develop into the experienced public servant she is today. She is steadfast in upholding our Republican values and has received numerous awards from various organizations.

Lauri Clapp has my support! She can hit the ground running and that is crucial at this time. Please vote for Lauri Clapp.

Thank you.

Respectfully,
